

Tribhuvan University
Central Campus of Technology, Dharan
2078

Admission Procedure at CCT:

1. The candidate must pass the **Central Entrance Examination**.
2. The candidate must have his/her name listed in the merit list (Rank 1 to 100) published by CCT.
3. The candidate must qualify in the academic counseling session to get admission.
 - a. **Free Quota:** Candidates in merit list (Rank 1-100) will be notified to attend the first counseling session.
 - b. **Donation Quota:** Admission in the donation quotas will be based on the application form (for NRs 100000/-, 300000/-, or 400000/-) filled by the candidate.
 - c. If the above quotas fall vacant, candidates in the waiting list will be given the priority.
4. The First-Year candidates wanting to cancel their enrollment within 15 days of admission can get a partial refund of the **donation** (after deducting 10%) plus a full refund of the **deposit**. For the same case, candidates enrolled through free competition quota will get a refund of the **deposit** only.
5. If the students enrolled in the First Year continuously remain absent for 15 days of the conduction of regular classes, their enrollment will be automatically terminated, entitling them a refund of deposit only.
6. Two candidates (genetic children) can be admitted under **teacher/staff quota**, but the second one can get admission only after the first one has completed his/her academic year.

B.Sc., BIT & CSIT

7. For candidates of B.Sc. (Biological, Physical, CSIT) and BIT, only the candidates who have appeared and passed the Central Entrance Examination from **this Campus will only** be shortlisted (on merit basis) for the First List admission. Candidates from other centers will be enlisted for admission in the Second List only (even if they have secured higher marks).
8. Only the candidates of B.Sc. BIT candidates who have appeared and passed the Central Entrance Examination from **this Campus** will have the privilege to enjoy the free quota allotted by CCT.

9. Schemes for the allotment of free quota to B.Sc. (Biological & Physical) are as follows:

Bot + Chem + Micro = 33%

Zoo + Chem + Micro = 33%

Bot + Geo + Zoo = 33%

Phyt + Math + Stat = 33%

Phyt + Math + Geo = 33%

10. There must be at least 10 students to pursue the combination subjects in the 4th Year of the B. Sc. Programs.

11. The campus has allotted 5 free quotas in BIT and 6 free quotas in B. Sc. CSIT. The free quota for the First Semester will be decided on the basis of merit in the entrance examination. The free quota for other semesters will be decided on the basis of merit in the preceding semester examination results.

12. There will be an annual increment in fee by 4% for BIT and 5% for CSIT programs.

13. There will be a staff quota in each program.

14. One quota can be allotted from the highest donation quota for teacher and staff only.
